PILOTS

The Abbotsford Pilots Junior Hockey Club of the PJHL are extending you an invitation to attend our evaluation camp on Friday, June 3 to Saturday, June 4, 2022. We would like to invite you to compete to potentially become part of our family and tradition. The main purpose of this camp is to identify and evaluate players we feel have a future with the Pilots.

The camp will consist of five ice sessions, one per day and all in the evenings. This camp allows players and parents to become more familiar with our coaching staff and management.

Finally, and probably the most important aspect of this camp are, the opportunities for you to:

1. Compare your level of development with other players.
2. Receive feedback on the strengths and weaknesses of your game.
3. Learn what it takes to get to the next level of hockey.

We will be inviting the top players from this camp to our main camp starting August 9, 2022 at MSA Arena.
